EXPERIENCE

Online Quiz

Dec 2021

We have designed this website with the purpose of allowing the student to give exams and view their results. This site is an attempt to remove the existing flaws in the manual system of conducting exams. Students are provided the flexibility to choose among different types of aptitude and programming language tests.

Flight Ticket Booking System web Site

Mar 2021`

Flight Ticket Booking System project will keep track record of online booked tickets, tickets available, and other important details related to flight tickets. It deals with the recording and processing of Employee data so that the executives can easily manage the organizational operations.
